"This season was one of the best we have had to date. The riders continue to blow us away with their progression. In the fifteen years we have been documenting the sport, this year brings the highest level we have ever seen." says TGR's Todd Jones

Re: Session takes viewers beyond the traditional ski and snowboard movie into a revolutionary realm of action sports entertainment. Shot on both film and RED ONE high definition camera technology, Re: Session documents the true wealth of the mountain experience. Follow the crew as they score in one of Alagna, Italy's deepest seasons on record. Check out forbidden powder in Poland, massive wedges in Colorado, new gap jumps in Utah and seven weeks of epic riding conditions in Alaska. Re: Session brings the most talented athletes in the sport together in one must-see film.

All-star roster includes: Sage Cattabriga-Alosa, Seth Morrison, Tanner Hall ,Jeremy Jones, Kye Petersen, Ian McIntosh, Dana Flahr, Dylan Hood, Erik Roner, Wiley Miller, and Dash Longe, Tanner Hall, Sammy Carlson and Callum Pettit, Cody Townsend, Rachel Burkes Todd Ligare, Shroder Baker and friends.

Shot on location in: Jackson Hole WY, Alagna Italy, Last Frontier Heli-Skiing, Poland, Slovakia, Haines AK, North Cascade Heli-Skiing, Colorado, Stevens Pass WA, Utah, Montana, and Pemberton B.C..

TGR will kick off it’s film tour with the world premiere of Re: Session on September 19 in Teton Village WY. “This years film tour is ramping up to be the best Ski and Snowboard experience available this Fall.” said Dave Hudascko TGR tour director. The Re: Session Movie Tour will entertain over 82,000 loyal fans with 200 showings in more than 150 different locations around the World with special athlete appearances and giveaways throughout the season.
